Notification Letter

Please note that the standard venue hire of R750 is payable ONLY if you want the parents, family & friends (all adults) to join in on the fun. We DON'T charge venue hire for the kids, only R120-00 per child

If you wish to pay venue hire for the adults to join in at the kids area, we will open an option for you to order platters @ R480-00 per platter that serves 10-12 people or alternatively you can order from the restaurant's menu. Chairs and a table will be available for the adults. We also do consignment drinks in a cooler which will be charged according to your consumption at the end of the party.

If you wish NOT to pay the venue hire for the adults, not the platter nor the cooler option will be available for your party, but as the play area is in clear sight of the outside restaurant area, your company can enjoy relaxing outside and still keep a safe eye on the young ones. We do place 4 chairs in the play area for the nanny or the concerned granny 😊

If this letter is in anyway unclear, please contact us for clarification
